Hollander has a relatively higher market share of nearly 2%.

Report Scope

This report quantifies the global Decorative Pillow market in terms of revenue (US\$ million) and, where applicable, sales volume (K Units), using 2025 as the base year and providing annual historical and forecast data for 2021–2032.

It standardizes definitions of Types and Applications, harmonizes vendor attribution, and presents comparable time series by company, Type, Application, and region/country, including indicative price bands (US\$/K Units) and concentration ratios (CR5/CR10).

The outputs are intended to support strategy development, budgeting, and performance benchmarking for brand owners, manufacturers, retailers, channel partners, and investors; data are structured with consistent units and fields to facilitate integration into internal FP&A and BI systems.

Key Companies & Market Share Insights

This section profiles leading manufacturers, combining 2021–2025 results with a 2026–2032 outlook. It reports revenue, market share, price bands, product and application mix, regional and channel mix, and key developments (M&A, capacity additions, certifications). It also provides global revenue, average price, and—where applicable—sales volume by manufacturer, and calculates CR5/CR10 and rank changes to support comparative benchmarking.
